Hunterdon family practice and obstetrics

We appreciate the time you've taken to apply for a position with us. Please allow up to two weeks for standard processing of your application, as we receive a high volume of applicants. This timeframe may vary depending on the specific role you're applying for, but we generally process positions within 2-4 business days. Unfortunately, due to the large number of applications we receive, we can't respond to each applicant individually regarding the status of their resume. To track the progress of your application, please log in to your account and check the Application History tab. We strive to exceed expectations in all aspects of our operations, including patient care. If you have any concerns or safety issues, please don't hesitate to reach out to us. We encourage you to first discuss any concerns with your nurse or nurse director at our facility. Additionally, if you're visiting one of our outpatient facilities, speak with the manager on site. Our Patient Advocate is also available to assist you in resolving any concerns. Patient Advocate: 908-788-6144 Hunterdon Family Practice & Obstetrics 1100 Wescott Drive, Suite 101 Flemington, NJ 08822 Phone: 908-788-6535 Fax: 908-788-6536 Our practice has received recognition for its commitment to providing high-quality patient care. Our board-certified family physicians and advanced nurse practitioners focus on the overall well-being of each patient. We welcome new patients into our Patient-Centered Medical Home and are dedicated to meeting all your healthcare needs. As your primary care physician, you'll have a specially trained advocate who will coordinate your care and work with you to address any medical, physical, mental, or emotional health concerns. Our practice offers comprehensive services, including routine wellness checks, vaccinations, gynecological care, pulmonary, and cardiac services. Hunterdon Family Practice & Obstetrics provides comprehensive medical services, including vision and hearing screenings, mental health assessments, nutritional counseling, and health education. The practice offers obstetric care, such as prenatal, labor, and postpartum services, as well as chronic disease management for conditions like diabetes, arthritis, and high blood pressure. Patients can also receive treatment for minor injuries, illnesses, and surgical procedures. Additionally, the practice integrates behavioral health services to support patients with chronic conditions and mental health concerns. This approach allows primary care doctors to connect patients with resources and specialists within Hunterdon Health and the community when needed. As a family medicine clinic in Flemington, New Jersey, Hunterdon Family Practice & Obstetrics serves as a principal point of healthcare for patients of all ages, providing evaluation and treatment by general practitioners and family medicine doctors. The practice is located at 1100 Wescott Dr, Suite 101, and can be reached at 908-788-6535. With a focus on total health care for individuals and families, Hunterdon Family Practice & Obstetrics offers a wide range of medical services to support overall well-being. The practice's integrated approach to healthcare includes connections to psychiatrists and other resources to ensure comprehensive care for patients with complex needs. By providing accessible and patient-centered care, Hunterdon Family Practice & Obstetrics aims to meet the diverse health needs of its community. Behavioral Health Services at Reading Hospital provides a comprehensive range of mental health, addiction, and dual diagnosis services, including outpatient and inpatient care, partial hospitalization, and various treatment approaches such as psychotherapy, counseling, and psychiatric care. The hospital also offers medication management, behavioral therapies, and support services like detoxification and short-term residential care. Additional services are available through other departments, including nursing units, emergency care, cardiac rehabilitation, and family health care center.
